PyCon India Sponsorship prospectus

The Indian Python Software Society(IPSS) and the PyCon India organizing committee are happy to announce the third PyCon India. The conference will be held from 16 to 18 in September 2011 in Pune. 16th will be a tutorial day and the actual conference will take place on the 17th and 18th.

Your sponsorship helps keep PyCon India affordable and accessible to the widest possible audience. The conference is the largest Python Software developer conference in India.

The IPSS is a non-profit organization established to promote the use of the Python programming language. One of its main activities is to conduct the annual conference.

PyCon India 2011 will bring together Python developers and enthusiasts of various backgrounds. Companies and corporates that use Python are an integral part of the community and we welcome your patronage. By sponsoring the conference your organization will be better connected to the Indian Python community.
