

#ackSIT v1.0

SPONSORSHIP BROUCHER

HackSIT v1.0 is a design sprint-like event in which computer programmers and others involved in software development, including designers will collaborate intensively to work on software projects.

The IT Association of Saffrony has filtered out problems and these problems are categorized into Institute Welfare Problems and Student Welfare Problems, Women Safety, Tourism.

Hereby, Saffrony is pleased to announce it's first edition of Hackathon **HackSIT v1.0** on 6th & 7th April 2018.

For more info visit hacksit.tech

WHO ARE WE

SMALL BEGINNING

We are a group of students from Saffrony Institute of Technology who are passionate about technology and creating an environment for innovation.

ACHIEVING THE GRANDEUR

HackSITv1.0 is a 30-hour software competition. Veteran hackers will be quite accustomed to such a setup and some may even come with an idea of what they want to build.

WHY SPONSOR?

Sponsor the most prodigious hackathon of our institute
The biggest playground for creators and innovators

WORKSHOPS

Sponsors are given assistance in hosting workshops and tutorials within the campus premises.

RECRUITING

Hackathons give you incomparable access to top technical talent and we attract the smartest people around.

FEEDBACK

Get live feedbacks of the APIs and other products from the hackers participating in the hackathon.

BRAND RECOGNITION

Names of the company will be linked with all kinds of proceedings and publicity related to HackSIT
