We'd like to give a high five to our research team.  
Our portfolio is up 70% so far in 2006 and looking  
stronger every day! We hope our members have been  
keeping up with these incredible picks.

We would like to introduce you to a company involved in  
the nanotechnology field. It is widely believed among  
experts that this could be the next sector to lead an  
economic boom. Some really Big news expected from this  
next winner:

CO: Nano\_SuperLattice\_Technology Inc. \_\_ || S | \_ T  
Currently Trading at: \$3.10  
Its 1 Week\_Target is: \$5.45

Get in early on this one! A Massive PR Campaign is underway  
for Wednesday and all this weeks trading, Get In Early!!  
We told you last time about this one, expect more this time!

Nano\_SuperLattice\_Technology is a nanotechnology company  
engaged in the coating of precision tools and components  
with nano structured coatings for high-tech industries.

For more in depth information about this exciting company

just do a search on Nano Superlattice.

Please Read All the Recent Press Releases and Expect some Really Big News This Upcoming WeeK!!

\*\* ACT QUICK, GOOD LUCK & TRADE OUT THE TOP!! \*\*
