Contributor offers to license certain software (a "Contribution" or multiple "Contributions") to PSF, and PSF agrees to accept said Contributions, under the terms of the open source license identified below (the "Initial License"):

Initial License: Apache 2.0 License

Contributor understands and agrees that PSF shall have the irrevocable and perpetual right to make and distribute copies of any Contribution, as well as to create and distribute collective works and derivative works of any Contribution, under the Initial License or under any other open source license approved by a unanimous vote of the PSF board. Contributor shall identify each Contribution by placing the following notice in its source code adjacent to Contributor's valid copyright notice: "**Licensed to PSF under a Contributor Agreement.**"

PSF understands and agrees that Contributor retains copyright in its Contributions. Nothing in this Contributor Agreement shall be interpreted to prohibit Contributor from licensing its Contributions under different terms from the Initial License or this Contributor Agreement.
